EDUCATION

Rajamangala University of
Technology Phra Nakhon
2022 - 2026
B.S. in Computer Science

Languages

Thai (Native)

- Reading (Good)
- Writing (Good)
- Listening (Good)
- Speaking (Good)

English (B1)

- Reading (Good)
- Writing (Good)
- Listening (Good)
- Speaking (Passably)

Softskills

- Debugging
- Troubleshooting
- Attention to Quality
- Attention to Detail
- Logical Thinking
- Problem Solving
- Time Management

PROJECTS EXPERIENCE (CLICK ON LINK)

- Integrating free weather API for real time weather with Spring Boot App
 - github.com/thitikorn-nupan/spring-boot-getting-weather-api
- Integrating Line & Google Login API with Spring Boot App
 - github.com/thitikorn-nupan/spring-boot-security-apply-line-login-api.....
 - github.com/thitikorn-nupan/spring-boot-security-apply-google-login.....
- Build apps (Spring Boot & Angular) manage Relations database many to m..
 - github.com/thitikorn-nupan/angular-and-spring-boot-crud-many-to-ma..
- Build security APIs (Spring security for API uses JWT For user authentication)
 - github.com/thitikorn-nupan/spring-boot-security-and-jwt-without-jpa....
- Integrating free clouds service on apps (Spring could netflix & Angular)
 - github.com/thitikorn-nupan/spring-boot-cloud-netflix-eureka-server.....
 - github.com/thitikorn-nupan/angular-and-spring-cloud-netflix-eureka.....
- Build APIs And Testing services & methods (Spring Mockito & Junit5)
 - github.com/thitikorn-nupan/spring-boot-mockito-and-junit5-for-crud.....
- Build APIs CRUD relations database (Spring Microservice concept)
 - github.com/thitikorn-nupan/spring-boot-and-jdbc-crud-relations-mysql...

Interests

- Backend
- Fullstack
- Mobile (Android)

PROJECTS DEPLOYMENT

- Static website portfolio developed using Angular
 - thitikorn-nupan.com/app/portfolio
- Ecommerce it's mine senior project developed using Spring boot & Angular
 - thitikorn-nupan.com/app/ecommerce
- Review books it's one of my projects developed using Spring boot & Angular
 - thitikorn-nupan.com/app/reviews-book
- Maintenance System it's project handles works. using Spring boot & Angular
 - thitikorn-nupan.com/app/mentenance-system

INTERNSHIP EXPERIENCE (G-Able 03/03/2025 - 30/11/2025)
